President's Corner

*Sharon W. Walker, LPC, NCC, MCC, MA
LCDA President*

Hello, everyone!

I am Sharon Walker, your current President of LCDA. Let me tell you just a little about myself: I am a graduate of LSU's counseling program and I am a Licensed Professional Counselor, a National Certified Counselor and a Master Career Counselor. I have over 12 years experience in the career development and planning field with time spent providing clients of all ages with career planning and exploration, outplacement services, resume writing and interview preparation, choosing a college major, job transition, facilitating career transition support groups, and teaching a career planning class at the university level. I am currently the Career Counselor at Our Lady of the Lake College in Baton Rouge.

Being an active member of LCA and LCDA continues to be a very rewarding experience and a privilege. My goals for this year are to work with the members of LCDA to bring about more public awareness of the career development field and to increase membership in LCDA. I welcome any and all suggestions from everyone as to how to accomplish these goals.

As LCDA President, I attended the NCDCA Global Conference in St. Louis June 30-July 3, 2009. What a wonderful experience! I met and shared ideas with career counselors from all over the U. S. and attended many great content sessions. I represented Louisiana at the States Leadership Training class and was asked to present Best Practices for Conferences to the group. I told them about our Spring conference in April, 2009 and how successful it was. If you ever have the opportunity to attend the NCDCA Conference, take it! You will learn so much and get to network with people who are doing the same thing you are – career counseling.

New LCDA Membership Dues

The Executive Board of LCDA met on July 17, 2009 and voted to raise the LCDA membership dues to \$10.00. Student dues and Retiree dues will be \$5.00. This change is effective immediately and affects new memberships as well as renewals. We invite all members of LCA to join our organization as career-related issues are often intertwined in various counseling settings. Our current membership includes counselors in K-12 schools, university/college campuses and private and corporate settings. Please consider joining LCDA today!

1. Presentation Title: *From Pink Slip to Paycheck: Helping Clients Cope with Job Loss*

Presenters: Ellen Bush, Krystal Hardison, Loretta Swank, Sharon Fife and Michelle Waguespack

Time: 3:45-5:15 Tuesday, October 6th

Program Summary: Losing a job is ranked as one of the three top stressors in a person's life. It often means a loss of income, security, a community and a sense of identity. Shock, disbelief, anxiety, fear, worry, confusion, and blame are common emotions accompanying job loss. If not appropriately dealt with, these feelings can adversely impact the individual's psychological, social and physical well being, as well as impair his or her marital and family relationships. On another level, those experiencing job loss are often uncertain how to begin a job search or where to go for financial assistance so need resources for doing so.

With the fickle economic times we're experiencing today contributing to higher unemployment, it is expected that counselors in all settings will see an increase in the incidence of job loss related issues. The goals of this presentation are to help participants better understand the multifaceted consequences of job loss, explore approaches for helping clients deal with the issues accompanying job loss, and learn practical ways for helping them with the job search process.

2. Presentation Title: *Find Your Bliss, Harness Your Gifts, Plan Your Counseling Career*

Presenters: Sharon Walker, Joan Gallagher

Time: 8:00-9:30 a.m., Tuesday, October 6

Program Summary: Evaluate your strengths and interests to maximize your career potential; Resume Writing; Interview Preparation; Networking your Way into Hidden Job Markets; and other job search strategies. This session will help prepare counselors and graduate students for job search.
