President's Corner

Spring is a busy time for us all and I wanted to update you on LCDA news as well as upcoming conferences and resources.

I will be representing LCDA at the LCA Board meeting on Friday, Feb. 22nd. We will be discussing the Strategic Plan as well as working on the 2013 LCA Conference which will be held in New Orleans at the InterContinental Hotel September 15-17. Plan on attending the LCDA annual membership meeting which will be held during the conference.

LCDA President-Elect, Laura Fazio-Griffith, has been busy planning the LCDA conference which will be held at Mockler Beverage in Baton Rouge on Monday, April 15th. You should have received an e-mail with registration information and it is also on [LCDA website](#). The success of our organization is only as strong as our members so please plan on attending and earn 5 CEU's in the process. And don't forget when you are doing your spring cleaning that you can bring your gently used women's career clothing for our "Dress for Success" donation project.

"Celebrating 100 Years of Career Development: Creating Hope, Social Justice, and Legacy" is the theme of this year's NCDA

conference in Boston, Massachusetts, July 8 - 10, 2013. Keynote speakers include Dr. Temple Grandin and Dr. Tony Wagner, with many more featured presentations, PDIs and special events. Our President-Elect, Laura Fazio-Griffith, will also be presenting at this conference. [View the agenda online now](#) and register by May 1st for discounted prices. Complete details including [where to stay and what to do in Boston](#) are also posted online.

In Memory of Sharon Eaton Fife

LCDA remembers Sharon Eaton Fife who passed away October 17, 2012 after a courageous battle with cancer. Sharon was a longtime active member of LCDA and LCA where she developed many strong relationships with colleagues. She often conducted presentations at the state conferences of these organizations where some of her presentations were honored with the "best of conference" award.

Additionally, in her role of college counselor and later as a career planning instructor at Southeastern Louisiana University, Sharon positively impacted the lives of hundreds of college students as they worked to achieve their personal and career goals.

Sharon will be fondly remembered for her warm smile, contagious positive attitude, love of people, and involvement in various social and charitable organizations.
